Defensa® Security Papers from Pixelle Specialty Solutions are your best defense against document alteration, forgery and counterfeiting. With a wide range of built-in security features, they provide the powerful protection you need for security document printing. And with Printloc toner adhesion available on all white Defensa bond papers, you can add another layer of security without increasing paper weight. Plus, we've designed Defensa® for Inkjet to provide superior image density and ink drying on a variety of inkjet printing equipment.
